The time of service of the Twelfth Regiment Infantry having expired, the original members entitled to be discharged were ordered to Portland and were there mustered out.

The re-enlisted men and recruits were organized into a Battalion of four companies under Lt. Col. Illsley, and will hereafter be designated the 1st Battalion, 12th Regiment Infantry.

A list of the enlisted men of the 12th Regiment Infantry mustered out at Portland, is herein published. It should have been published in the December return, but on account of the delay which must occur before its publication, it was thought proper to insert such list in this return.

List of enlisted men of 12th Maine Volunteers mustered out at Portland.
